ARCHITECTURES

- MVC
-

DESIGN PATTERNS

- Singleton
-

FRAMEWORKS

- Angular
 - TypeScript
 - Bootstrap
-

TOOLS

- VSCode
 - Postman
 - Github
 - Figma
-

EXPERIENCE

Zummit Infolabs **11/2022- Present**

EDUCATION

Bachelor of Science **2019 - 2022**
Prayagraj State University

SUMMARY

As an Angular developer, I need an environment to grow and enhance my skills. I wanted to contribute to projects with teams and sharpen my knowledge by learning and solving problems.

PROFESSIONAL SKILLS

- Angular 14
 - Networking REST APIs, JSON
 - Objected oriented programming with TypeScript
 - Responsive design with Bootstrap
 - Github version control
 - Implementing third party libraries
-

WORK EXPERIENCE

Zummit Testing

Zummit Infolabs

- Test maker and test taker functionality
 - Dynamic question and answer with different data types
 - Role based menu option or functionality access
-
